HURTWOOD HOUSE
Headmaster: C. M. Jackson BEd Bristol

Hurtwood House Maths/Science Scholarships

Hurtwood House is offering five A-level Maths/Science scholarships in 2026. There are three at £1000 per term, one at £2000 per term and one at £4000 per term, and they would be awarded to particularly gifted students for the full two-year period of their A-levels. The successful candidates would be expected to take one or more of the A-level Sciences and/or A-level Mathematics as part of their A-level programme. We offer three Science subjects at Hurtwood House - Biology, Chemistry and Physics.

Scholarship procedure

Scholarships will be awarded to candidates based on performance in our scholarship examination in the Sciences and Mathematics, on an interview at the school and on a reference from the relevant teacher or teachers at the student's present school. Students may sit a general paper covering Mathematics, Physics, Chemistry and Biology; or they may choose to specialise in one or more subjects out of these four. It would be helpful if applications were supported by a reference from the relevant teacher or teachers at the student's present school.

If you would like to apply, please complete and return the enclosed form to me. We will then contact you to arrange for an appointment for you to come to the school to sit the examination. Once the paper has been marked by our teachers, I will then write to invite suitable candidates to an interview.

I look forward to hearing from you.

With best wishes.

Cosmo Jackson
Headmaster

APPLICATION FOR MATHS/SCIENCE SCHOLARSHIP 2026

Name: _____

Age: _____

Gender: _____

Parents' address:

Father: _____

_____

_____

Mother (if different): _____

_____

_____

Telephone number to contact re examination: _____

Present school: _____

Examination paper to be sat
(please delete as appropriate): General (all four subjects) / specialist

If "specialist", please indicate in which subject/s
(please delete as appropriate): Maths / Biology / Chemistry / Physics

This section to be filled in by the student:

Please write briefly about your interest in Science and/or Mathematics and about any achievements in these fields.
