

HURTWOOD HOUSE

Hurtwood House is an independent school specialising in the sixth form; our unique blend of the creative and academic prepares students for university and life beyond.

The school has an outstanding academic record with over 20 subjects being studied at A Level, ensuring that it has ranked highly in the independent sector top ten coeducational sixth forms for the last five years. The other defining feature of Hurtwood House is its creativity. We are a centre of excellence for the performing and creative arts, providing outstanding opportunities for the aspiring actor, singer, artist, fashion designer, composer and film maker both in the A Level courses and in specially arranged and professionally organised activities. These include our Film Academy, our concerts and our drama productions.

This culture of creativity, originality and professionalism permeates throughout the school and, because it is important to us that we provide a complete and broad education, we put a great deal of emphasis on personal development, preparing our students for university and, more importantly, the challenges of life beyond.

Hurtwood House is one of England's most exciting and successful schools – retaining traditional values, but breaking new ground educationally.

Joining the Hurtwood community offers opportunities to:

- work with enthusiastic and well-motivated students in small, well-resourced classes
- become part of a committed and professional teaching team in a friendly and supportive atmosphere
- experience the benefits of a coeducational boarding environment, with a strong pastoral ethos and students from many different national backgrounds
- develop your career in a modern, energetic school with a reputation for academic achievement and creative excellence
- enjoy a beautiful campus in the midst of the Surrey Hills, but within easy reach of London, major airports and the South coast

Mathematics

Mathematics has soared in popularity at Hurtwood in recent years and it is now the biggest department in the school. We offer IGCSE Mathematics and A Level courses in both Mathematics and Further Mathematics; Further Mathematics is taken in the second year after the completion of A Level Mathematics course content. Our Further Mathematics programme of study includes the Mechanics and Decision Maths options. Results underline the strength of the department's teaching. In June 2018, 87% of students in Mathematics and 80% of students in Further Mathematics achieved A*-B grades.

The teaching team consists of seven highly experienced members of staff, many of whom are fluent in all branches of the subject. We have seven specialised rooms and enjoy all the resources and funding that would be expected of a successful department.

The teaching groups are small, usually averaging ten students, and each class has about six hours contact time a week. The classes are not streamed and the groups are of mixed ability. We enjoy the full backing of the school in pursuing outside events such as the Maths Challenge in which we have reached both regional and national levels in recent years.

The Mathematics Department follows the EdExcel (Pearson) A Level courses and these are examined at the end of the second year. Extension learning is available to high achieving students, along with STEP and AEA classes if required for university entrance; Maths clinics are offered to students who have fallen behind or who are unclear about explanation or procedure. The Hurtwood Mathematics staff are particularly supportive and students are encouraged to think of all the Mathematics department as 'their' teacher.

HURTWOOD HOUSE

Pastoral and Boarding

As a fully residential school our primary concern is to provide students with a safe, structured, caring and happy community. That is why we place so much emphasis on our House structure.

Students board in one of five country houses or their lodges, some of which are on the campus and some nearby. Each House has a Housemaster or Housemistress (HsM) who lives in and a team of House Tutors. The HsM is the link between the school, the student and parents and is the first point of contact on all academic and pastoral matters. The House staff are responsible for looking after the students, for monitoring academic progress, for providing guidance and for creating a warm, supportive and organised family unit and what we like to think of as a sense of 'structured informality'. All full-time staff are assigned to one of the boarding houses as academic tutors who take responsibility for a small tutor group, meeting them on a Monday evening. Some staff are full tutors who assist the HsM in the running of the boarding environment by doing evening and weekend duties in the House. An additional allowance is paid for these duties.

All of the working day is spent on campus and students are transported back to their House after supper every evening by the House staff. Main meals are taken on campus in our award winning 'refectory' building where the food is healthy, wholesome and there is a wide choice to satisfy all dietary requirements. It is all freshly prepared on the premises by our own staff. There are also kitchen facilities in every House for snacks, tea and coffee etc, games rooms and communal TV rooms. All Houses have internet access and a wireless LAN.

Joining the Hurtwood pastoral team offers opportunities to:

- work with students outside of the classroom, building long-lasting, productive relationships
- become part of the hard-working and dedicated tutor teams who run the boarding houses
- help students prepare for the independence of life at university, drama school or art college
- become fully involved in the busy and exciting extracurricular life of the school
