

Hurtwood House

Job Description – Teacher of A Level Physics

The School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

Main duties and responsibilities:

- Promote and safeguard the welfare of students for whom you are responsible and with whom you come into contact
- Under the direction of the Head of Department, plan and prepare courses and lessons that reflect the requirements of the scheme of work
- Teach, according to their educational needs, the groups assigned to you, including the setting and marking of work
- Implement fully the marking and assessment policies of the Physics department
- Set work which can be graded each week, if possible incorporating a weekly test
- Inspect all student files at least once a term and insist they are kept in good order
- Promote the general progress and well-being of students in your care
- Provide individual help for students as required
- Provide students with guidance on educational and social matters relating to their studies and future careers
- Maintain good order and discipline with your students both inside and outside the classroom
- Provide a detailed report on each student each term
- Communicate and consult with parents and other persons or agencies outside the school as required
- Participate in arrangements for preparing students for their external examinations including marking and recording coursework if appropriate
- Participate in meetings, particularly the Monday staff meeting, weekly department meetings and any meetings with parents
- Participate in any arrangements for further training and professional development
- Review methods of teaching and programmes of work
- Keep all teacher materials up-to date
- Work closely with the Head of Department and assist with the preparation and introduction of new courses and schemes of work
- Promote Physics within the school and contribute material to the school website
- Take good care of your teaching space and all teaching materials provided by the school
- Stand in for a colleague should he/she be away
- Set work for your classes if you are away from school for any reason
- Participate in supervisory duties or sporting activities during the afternoons
- Drive students to school in the morning and to activities in the afternoons and back to the Houses in the evening provided you have the appropriate licence
- Take responsibility for the progress, development and welfare of a tutor group, to include tutorials each Monday evening
- Safeguard the Health and Safety of students in your care
- Invigilate if asked to by the SMT
- Dress appropriately at all times – the male dress code includes a tie
- Carry out general duties and responsibilities as deemed reasonable by the SMT
